## Taxi App UK App

Download the Taxi App Uk application for free from Google Play and the App Store.

1. Enter your mobile phone number to login to the application.

• Then, enter the code that will be sent to you via SMS on this mobile number.

2. Enter your personal information, email, and your name.

• Select whether you want to grant the application access to automatically detect your location when searching for a taxi.

3. Enter the location where you want the taxi to pick you up and the destination where you want to go. You can move the pin on the map, and the address will be automatically filled in.

- 4. Choose the type of vehicle you desire based on your needs.
- Add the number of passengers and the number of your luggage.
